EDUCATION

Seoul National University Seoul, Republic of Korea
M.S. in Statistics Mar 2026 – Present

Konkuk University Seoul, Republic of Korea
B.S. in Mathematics and Applied Statistics Mar 2019 – Feb 2026
Summa Cum Laude
Military Service: Feb 2021 – Nov 2022
Course Taken: Linear Algebra; Mathematical Statistics; Linear Regression; Multivariate Data Analysis

RESEARCH INTERESTS

Causal Inference; High-dimensional Data Analysis; Machine Learning

PROJECTS

Multi-Label Lung Sound Classification based on Self-Supervised Learning Jan 2025 – Jul 2025
Big Data Club BOAZ
- Proposed a MoCo-based framework for multi-label respiratory sound classification under unlabeled settings.
- Directed the project for 6 months, establishing research objectives and enabling effective team collaboration.

Hackathon on Intrusion Detection Model Development for Controller Area Network Nov 2024
Big Data Club BOAZ
- Analyzed diverse CAN attack scenarios and developed a tree-based classification procedure for intrusion data.

Agricultural Price Forecasting and Proposing Price Stabilization Policies Sep 2024 – Oct 2024
Konkuk University
- Utilized time series models to capture price patterns of agricultural products and forecasted prices during Chuseok.

AWARDS AND SCHOLARSHIPS

Summa Cum Laude Feb 2026
Konkuk University
- Rank: 1/25; GPA: 4.41/4.50

Outstanding BOAZ Member Award Aug 2025
Big Data Club BOAZ
- Honored for distinguished service as an executive board member and leadership as a team lead.

Dean's List Aug 2019 – Feb 2025
Konkuk University
- Selected for Dean's List in Aug 2019, Feb 2020, Feb 2021, Feb 2023 and Feb 2024.

1st Place, BOAZ Hackathon Nov 2024
Big Data Club BOAZ

3rd Place, 2024 Department of Applied Statistics Data Analysis Competition Nov 2024
Konkuk University

National Science & Technology Scholarship May 2023 – Aug 2024
Korea Student Aid Foundation
- Full tuition scholarship for two years: 15,916,000 KRW

Scholarship for Academic Excellence Aug 2019 – Feb 2020
Konkuk University
- Partial tuition scholarship for two semesters: 4,375,100 KRW

TEACHING EXPERIENCE

Statistics Lab., Seoul National University Spring 2026

EXTRACURRICULAR ACTIVITIES

Big Data Club BOAZ, Course of Data Analysis Jul 2024 – Jul 2025
Big Data Association BDA, Mentor in Statistics and Data Analysis Feb 2024 – Aug 2024
Konkuk University Mentoring Program, Mentor in Mathematics Mar 2020 – Jul 2020

SKILLS

Computer Skills: Python, R
Language: Korean (native), English (intermediate)
